YOUTH EVANGELIZATION AND PASTORAL CARE: DYMIN 2011 "FREESTYLE"

We have already started out preparations for the Youth Summer Camp FGE - Dymín 2011 "Freestyle". During the period from 13 to 16 January 2011 in Krynica Zdrój (the centre of the local Baptist Church)

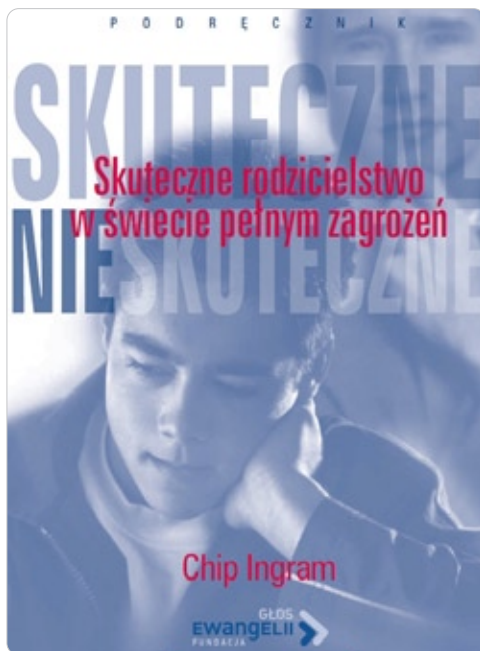

the Winter Convention of Leaders took place. During the Convention the leaders prayed for God's blessing for the summer camp, prepared the programme of the camp and used the rich recreation and sports offer of the region. The major theme of the camp is well illustrated by its name. "Freestyle" is a kind of sports event where acrobatic manoeuvres are evaluated. The term is also connected with improvising in rap and hip-hop music. Most of the lectures, discussions and workshops will relate, more or less directly, to the issue of freedom and the problems connected with freedom which young people are facing nowadays. Our guests such as Mirosław 'Kola' Kolczyk, Leszek 'Korzeń' Korzeniecki, Anna Kutakowska, Janusz Kucharczyk Ph.D, Dobromir 'Mak' Makowski, Mirosław Szachiewicz, Mateusz Wichary, Henryk Dedo and others will tell you about real freedom, looking for freedom and the ways it can be expressed.

If there are any young people (over 14) in your family or surroundings whose freedom you pray for and would like to fight for with us, please encourage them to come and take part in our adventure – Dymin 2011 "Freestyle" Youth Summer Camp.

OUR NEW TITLES AND PRODUCTIONS :

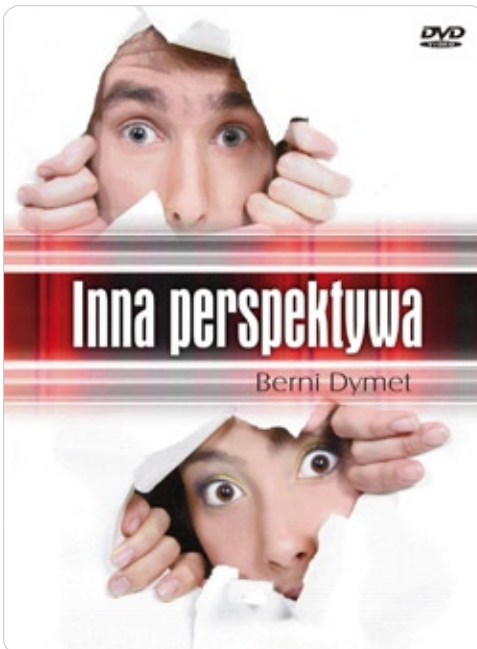

EFFECTIVE PARENTING IN DEFFECTIVE WORLD – a series of nine 30-35 minute lectures of Chip Ingram during which you will learn principles of effective parenthood which are full of power.

DR ELŻBIETA BEDNARZ (CHAT, WBST, WST) a lecturer interested in development and education psychology and a parent of two children about the series:

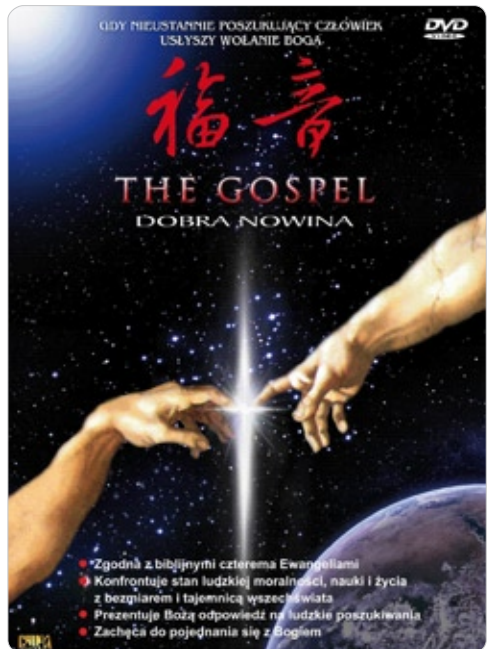

We usually learn what parenthood is when it is too late, when we ask ourselves about the way of successful parenthood, being completely unprepared for our new role. It frequently happens that after many years of committing gross mistakes connected with bringing our children up we start convincing ourselves that being a parent is not our vocation because we just cannot do it.

In the same way we learn to be a responsible husband or wife, we can also learn to become successful parents, which may bear great fruit in the future. The series "Effective parenting in defective world" present some important issues related to bringing our children up in modern civilization, which may, unfortunately, have a very negative influence on our kids. In today's world, where family relationships are of minor importance and obedience and discipline have gone out of date, the issues presented in the series have great educational role.

The series has a practical educational dimension because we can handle it in two different ways. First we can listen to the lectures and then think them over individually or discuss them in a group, answering the questions and solving various tasks. I really encourage the parents and the parents-to-be to listen to the lectures and I encourage especially those who are parents right now to confront the way they treat their children with the presented clues.

ANOTHER PERSPECTIVE: a 13-episode series of short programmes on various aspects of our life. Each episode deals with important issues and problems which we face every day, such as materialism, real greatness, passing away, stress, prayer. A short form, colourful and well-aimed stories confront us with important questions which we are not very willing to ask. However, finding the right answer may give us peace and certainty that we follow the right path. The material can be used during evangelical

outreaches, in churches, clubs and during other missionary activities.

The titles of particular episodes: Blog, The Light, A Taxi, The Studio, A TV-set, A Letter, The Piano, A Car, A Precipice, A Bottle, The Church, A Giant, Salad.

THE GOSPEL - THE GOOD NEWS:

A film shot by the creators of a moving documentary "Jesus: cross in China" (available for sale) takes us on an amazing journey through history, science and art, making us confront with the life and preaching of Jesus. The Gospel – the Good News shows us on the one hand the state of human morality, science and quality of life and on the other hand the vastness and mystery of the universe. This is a really convincing and credible evangelizing material.

SUPPORT FROM FELLOWSHIPS:

Support we are receiving from Christian Churches of various denomination is great encouragement for us as well as confirmation, that according to Jesus Christ's will we can jointly take responsibility for preaching the Gospel. We do thank all leaders and members of Fellowships, with which we can share the perspective of God's Kingdom and the same time - not to resign from the rich diversity of Christian religious identity.

We would like to thank in particular:

- God's Church in Christ from Kalisz and Olecko;
- Baptist Church from Ostroda;
- Church of Good Sheppard from Warsaw;
- Christian Evangelical Church from Bydgoszcz (Fordon);
- Christian Evangelical Churches from: Kamien Pomorski, Lublin, Lodz, Mechowo, Miedzzydroje, Nowy Tomysl, Pila;
- Christ Jesus Church "Syjon" from Rzeszow;
- Free Christian Churches from: Chelm, Chelmek, Chorzow, Piasek, Ustron;
- Pentacostal Churches from: Chodziej and Swidnica;
- Nederlands Hervormde Gemeente, Oene, NL;
- Greyfriars Church, Reading, UK.

A DROP OF ETERNITY:

"A drop of eternity" is the title of our new series of one-minute radio programmes - meditations on the eternal and the earthly issues. The program is already broadcast by Radio Białystok. At present we are conducting negotiations with other radio stations.

THE FOOD WHICH IS UNHEALTHY FOR OUR HEART:

We all know that fast-food and half-finished products are harmful to our health. Never before have we eaten so much fat, sugar and snacks with no nutritional value, such as chips, crisps, popcorn and all kinds of burgers. Diabetes, heart diseases, cancer - the number of people suffering from these illnesses is getting higher and higher every day. We have to reckon with the consequences. This is an undeniable fact. Three thousand years ago one of the wisest people ever born, the Israeli King Salomon wrote: "Above all else, guard your heart, for it affects everything you do." When he said that, he didn't mean our cardiac muscle, which functions as a pump in our bodies. He meant our emotional heart, our spiritual heart. Sometimes we, Christians, become very critical. However, we often accept spiritual fast-food - it should be fast and tasty, and it can't take too much of our precious time ... The consequences are quite obvious...

AND WHERE IS JESUS?

WINTER BIBLE KNOWLEDGE COMPETITION:

We would like to encourage you to take part in a winter edition of the Bible Knowledge Competition. The prizes we offer include 3 sets of the latest film documentaries of FGE - "Effective parenting in deffective world", "Another perspective" and "The Gospel - the Good News"

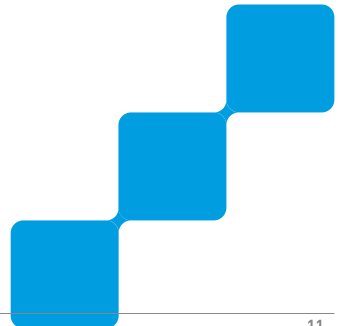

And now, one of the competition questions: **WHO WAS THE KING OF JUDEA DURING THE INVASION AND OCCUPATION OF JERUSALEM BY NEBUCHADNEZZAR?** Please send your answers till 28 Feb. to the e-mail address of FGE - gospel@gospel.pl (reference title: WINTER COMPETITION), or by mail.

WEEK OF PRAYER:

We would like to encourage you to pray for the missionary activity of The Voice of the Gospel Foundation. We begin each day of our work in the studio and the office with prayer according to the following schedule:

- THURSDAY – other missionary organizations in Poland and abroad;
- FRIDAY – our listeners, students, prisoners, all the people who listen to the Gospel thanks to our projects.

THE MEDIA > EVANGELIZATION AND PROMOTION OF EVANGELICAL VALUES

For over 45 years, through 42 radio stations which broadcast our radio documentaries, we have been telling stories about the people whose lives have been changed by God. Our documentaries reach over 280 cities and towns. At least 140 thousand Polish people listen to us every week. Since 2004 we have been making TV documentaries – “Transformations” (TVP1) and animated movies – “Stupid-wise movie” (RELIGIA TV).

POLISH SCHOOLS > ANTI-DRUG PERFORMANCES

Around 150 thousand students have taken part in various talks which have been organized for 10 years by Leszek Korzeniecki – an addiction treatment therapy instructor working for the Voice of the Gospel Foundation. The meetings are held within the framework of the project “Youth without drugs” and performances “Live outside a cage”.

PRISONS > EVANGELIZATION THROUGH INTERNAL BROADCASTING SYSTEMS

We regularly deliver our radio documentaries to 139 out of 165 Polish prisons and custody suites. The prisoners staying in their cells can listen to the Gospel about just and loving God who is able to give them real freedom. They can also hear the stories of those who have decided to repent – like Nicky Cruz.

YOUTH EVANGELIZATION CAMPS > WITH THE PARTICIPATION OF YOUNG PEOPLE WHO ARE POOR AND DISABLED

Over 2500 teenagers from different parts of Poland have already taken part in our youth camps we have been organizing for 13 years. Each year – thanks to the support of our grantors and volunteers – we can show our Christian love and care to young people coming from pathological families, orphanages and poor backgrounds. During the camps most of them can hear the Good News about Jesus Christ, the Hope that never fails, for the first time.

SUPPORT > EVANGELIZATION INITIATIVES OF THE LOCAL COMMUNITIES

Every year the President of The Voice of the Gospel Foundation – an evangelist Henryk Dedo – preaches during a number of outreaches organized by Polish local Christian communities. His evangelical message, encouraging us to confront and reconcile with God, has already softened lots of hearts. Henryk also carries out evangelization workshops “Tell the world about Jesus”.

For many years my passion and the main goal of The Voice of the Gospel Foundation has been to reach the greatest number of Poles with the Gospel. I share the passion with more and more people whose support helps us broaden the scope of our evangelical influence. We need your prayer and financial support to be able to see people of different ages experience revival towards the living hope through the resurrection of Jesus Christ from the dead. (1 Peter 1:3).

WE NEED YOUR SUPPORT !

Prayer is a very important form of supporting the mission of The Voice of the Gospel Foundation. Because we believe that the words written in the letter of James 5:15 "The prayer of a righteous person is powerful and effective" convey the truth, we would like to encourage you to pray so that through our activities the Gospel can reach to all those who have not received the Gospel yet.
